PREFERRED BMW MODELS

BMW 3 Series | BMW X3 | BMW i4

GOALS

- Explore BMW models and compare variants online.
- Customize and build his dream car.
- Get transparent pricing, offers and finance options.
- Book a test drive at his convenience.
- Complete the purchase with trust and minimal effort.

NEEDS

- Detailed and accurate car information.
- 360° view, features and specs.
- Easy comparison of models and variants.
- Flexible finance and exchange options.
- Real-time availability and delivery timelines.
- Secure online booking and payment.

PAIN POINTS

- Too much information across different websites.
- Unclear pricing and hidden costs.
- Time-consuming process to get dealer response.
- Limited availability of preferred models.
- Lack of real-time updates on offers and stock.

EXPECTATIONS

- Premium, fast and intuitive website/app.
- Personalized recommendations.
- Transparent pricing and easy EMI calculator.
- Quick responses and reliable customer support.
- Hassle-free test drive and delivery experience.
